The safety, health, and well-being of our students and staff are paramount to Inglewood Unified School District (IUSD). While there have been no confirmed cases of COVID-19 in IUSD, this decision is being made as a protective measure to help prevent the spread of the coronavirus. Effective Monday, March 16, 2020, IUSD schools will be closed to students and visitors for two weeks. We strongly recommend and encourage all students to engage in learning activities during the closure. Maintaining learning continuity is critical to our students' long term academic achievement. In order to support our students' instructional and wellness needs, IUSD has planned the following:

**Continuity of Learning Activities for TK-12 Students**

- The District has created a menu of self-guided learning activities for TK-12 students. Please access these resources by clicking [IUSD Continuity of Learning Activities](https://www.inglewoodusd.com/apps/pages/index.jsp?uREC_ID=1469376&type=d&pREC_ID=1851395), or copying and pasting the following link into the web browser address bar:

- Grades TK-8 students will be issued a learning workbook. Parents will receive information on when and how to pick up these workbooks and other instructional materials by Monday, March 16, 2020.
- All TK-12 students will participate in a reading challenge. The reading log is included in the Continuity of Learning Activities.
- Additional instructional resources will be posted on the District website at [www.inglewoodusd.com](http://www.inglewoodusd.com). Please check the website daily for updates to resources.
- Additional information on the documentation of learning will be communicated next week.

**Food Distribution for Children Only**

Breakfast and lunch meals will be served to children, ages 2-19, in the Inglewood community, between the hours of 9:30 a.m. until 11:30 a.m. We will be providing the meals curbside outside of the school cafeterias at the following locations: Woodworth-Monroe School, Hudnall Elementary School, Highland Elementary School, and Oak Street Elementary School. There will be a mobile unit that will serve Worthington Elementary School and Bennett-Kew Elementary School.

Please continue to check the IUSD website for updated information as the IUSD family works together during this challenging time. Thank you again for your support and flexibility.

Sincerely,

Erika Torres, Ed.D., MSW  
County Administrator
