

Brea Olinda Unified School District

"Learning is our priority, with opportunity for ALL."

G.A.T.E. in BOUSD

Fall Workshops - Grades 4-6

Workshops begin on Oct 29 and run through Dec 6

3:15 - 5:15

Register at: <http://bit.ly/2CJdID6FallGATEworkshops>

Build Your Own Escape Room Challenge!

In this exciting workshop, students will learn how to create their own Escape Rooms, using Google Forms. Students will take part in a teacher-created Escape Room, learn how to use Google Forms to create their own Escape Rooms and then challenge one another. Bring your skeleton keys and best escape plans, as this will be a fun and challenging class.

This class will be held on Mondays at Country Hills Mrs. Smith

Hiking

Students will traverse the trails of Brea while learning about hiking topics such as trail safety, ecosystems, and local hiking spots. In this exciting workshop, students will also be viewing popular locations around the country, using virtual reality. Bring a water bottle and wear walking shoes to each meeting.

This class will be held on Thursdays at Olinda Ms. Heard & Mrs. Steppan

Crafts and Looming

This class will research and discuss how clothing manufacturing has changed over time. Additionally, we will go through the process of yarn making and its purpose.

After learning the basic history of clothing manufacturing, we will spend time within the classroom learning how to loom and create a scarf. Other projects will be completed as time allows.

This class will be held on Thursdays at Mariposa Ms. Romero

LEGO Wedo Robot Building

Lego Wedo is a hands-on STEM program that combines LEGO brick building with student friendly software. GATE students will be engaged in standards-based projects and a discovery based approach to design their Lego creations. Students will work on computational thinking and engineering principles in a fun and engaging way.

This class will be held on Thursdays at Fanning Mrs. Hicks

Math League...Building Student Interest and Confidence in Mathematics Through Solving Worthwhile Problems

Would you like to be a part of a team and compete against other teams in Orange County. Want to hone your math and problem solving skills, and show others what you've got?

This class will be held on Tuesdays at Olinda Ms. Berrner
