### Belief Statements We believe that

- stakeholder involvement is important to a successful district.
- teamwork is necessary for accomplishing goals.
- a positive school culture promotes student growth.
- a safe respectful environment is important.
- we must focus on the total child.
- every employee serves a vital role.
- early childhood education is critical.
- parents play a vital role in their child's education.
- maintaining a student-centered approach to instruction is essential.
- students must be career, college, and / or work ready.
- students need technology training for academic and vocational skills.

## Curriculum Initiatives for Continuous Improvement
