BHS Grading Action Plan for Digital Learning Days

- Buford High School will continue to provide standards-based digital instruction to all students while also focusing on students who need additional support in order to earn credit for this semester.

- Teachers will assign work across all categories in the gradebook in order to ensure that all categories are represented appropriately in the student’s average.

- Teachers will continue to provide lessons on the following schedule:

- Benchmark Week at BHS has been rescheduled for the week of April 20.
  - The schedule for Benchmark Week will be as follows. The only assignments given on these days will be the benchmarks.
    - Monday, April 20 - Social Studies, Art
    - Tuesday, April 21 - Math, CTE
    - Wednesday, April 22 - Spanish, AP Psychology
    - Thursday, April 23 - Science, Fine Arts
    - Friday, April 24 - English, Health/PE
  - Teachers will work to redesign the benchmarks to make them more appropriate for the digital environment.
  - Students who are satisfied with their grade on Benchmark #1 may choose to opt out of Benchmark #2. In this case, the grade from Benchmark #1 will also be the grade for Benchmark #2.
    - In the event a student missed Benchmark #1, the teacher will use the student’s current average as the Benchmark #1 score.
  - Benchmark #2 will be weighted at 100 points, making it equal to Benchmark #1.
    - If a student scores lower on Benchmark #2, then the higher score from Benchmark #1 will be used as the Benchmark #2 grade.

- Teachers will continue to reach out to students with missing assignments (including those from before the closure) and provide opportunities for students to make up the missing work.
