2. List Facilities
All facilities owned or leased by Baker School District 5-J where students or staff are present on a regular basis are covered by this HASS Plan. The list of those buildings and facilities is below:
3. Elevated Levels of Lead in Water Used for Drinking or Food Preparation

All school districts, education service districts, and public charter schools are required to test for and eliminate exposure to elevated levels of lead in water used for Drinking and Food Preparation through either remediation or eliminating access, according to OAR 333-061-0400 and OAR 581-022-2223. In conformance with those administrative rules, Baker School District 5-J certifies the following:

1. All testing was done according to the testing requirements in OAR 333-061-0400;
2. All samples were analyzed by a lab accredited by Oregon Health Authority to test for those materials;
3. All water fixtures required to be tested under OAR 333-061-0400 were tested for elevated levels of lead in accordance with the testing schedule developed by the Oregon Health Authority; and
4. The testing schedule for each building covered by this plan is set forth below:

<table>

4. **Lead Paint**
In order to comply with the United States Environmental Protection Agency’s Renovation, Repair and Painting Program Rule, the district will use only district staff that is certified by the Oregon Health Authority to perform the work; and/or will only contract with certified lead based paint renovation contractors licensed by the Oregon Construction Contractors Board.

5. **Asbestos**
Baker School District 5-J complies with the federal Asbestos Hazard Emergency Response Act (AHERA). All required asbestos management plans are available for viewing by submitting a request to the Director of Social Media.

6. **Radon**
Baker School District 5-J has developed a radon plan as required by ORS 332.167. Community members can access a copy of the radon plan here: https://www.baker5j.org/apps/pages/maintenance
Test results will be made public and are available here: https://www.baker5j.org/apps/pages/maintenance

7. **Integrated Pest Management**
Baker School District 5-J has adopted an Integrated Pest Management (IPM) plan as required by ORS 634.700 through 634.750. Community members can access a copy of the IPM plan here: https://www.baker5j.org/apps/pages/maintenance

8. **Carbon Monoxide Detectors**
Baker School District 5-J certifies that all buildings subject to the Healthy and Safe Schools Plan comply with the carbon monoxide detection standards in the state building code that was in effect when the building was originally constructed or as required by building code due to addition, upgrade, or remodel.

9. **Test Results Publication**
Baker School District 5-J is complying with the requirement to provide access to test results, as defined by OAR 581-022-2223 within 10 business days as defined by ORS 332-334. Test results can be found on Baker School District 5-J’s website at https://www.baker5j.org/apps/pages/maintenance
Specific test results can be found as follows:
- **Lead in Water**: https://www.baker5j.org/apps/pages/maintenance
- **Radon**: https://www.baker5j.org/apps/pages/maintenance

Additionally, copies of all test results are available at 2990 D Street, Baker City, OR. Baker School District 5-J will also use current district email lists or communications programs to
provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact the Director of Social Media to be added to current district email lists and programs.

I certify that the above information is true and accurate to the best of my knowledge.
