

GHS ALL-SPORTS PASSES

Greenville High School is offering all sports passes to the Greenville community for the 2019-2020 athletic seasons. All-Sports passes are good for general admission seating at all HOME Greenville High School sporting events. The pass does NOT include postseason tournaments or regular season tournaments. Greenville High School students are not included in this package as their All-Sports Passes are available during school registration. This year there is a digital version option for your phone which relieves the need of keeping up with a card.
