

Dear Parents,

Foxborough Regional Charter School throughout the school year may share student information.

Student information, shared upon request, will be limited and will only include:

- ***Student name and grade***
- ***Parent name, phone and email addresses***
- ***NO physical addresses will be shared***

Parent OPT OUT Form for Student Directory

In the event you do not want your information included in the directory, please complete the form below.

To opt out means that a parent, guardian, or eligible student is denying permission for the school to share the above directory information.

To make your request known, you must complete the form below and send it to the School Office.

If you do not express your preference, you are giving permission to share your directory information.

Only fill out and return this form if you do not want the school to share your information
