

Annual Charity Wiffle Ball Tournament Benefitting Sister Pat's Kids Camp Friday, May 24th, 10am at Tamaques Park

It's time again for the Sister Pat's Kids Camp Charity Wiffle Ball Tournament! Sr. Pat's Kids Camp is a week-long camp run by Saint Helen's Parish for pediatric oncology and hematology patients of Columbia Presbyterian. For one week each summer, these children get to laugh, play, run and forget that they are patients. In addition to their medical challenges, the majority of the campers also come from underprivileged families. Many local students and adults volunteer their time as staff at Sister Pat's Kids Camp. Proceeds from the Wiffle Ball Tournament will provide funds to sponsor campers and help the camp organize a variety of exciting activities for them.

Last year, over 300 kids and adults registered to participate in the Tournament. Kids of all ages can get involved and have fun while helping to support this tremendous camp. We will begin at 10 am on the 24th as Westfield and other area public schools are scheduled to be closed that day! So, please organize a team with your friends or family and come out and make a difference!
