

IASD Building, Grounds, & Transportation Committee Meeting Minutes

November 19, 2018

Agenda Items Deliberation

- 1) White Township Grant partnership for stormwater management - Discussion occurred about the District's participation in a FEMA Grant with White Township that would provide funding to better control stormwater at the High School from flowing into Marsh Run. The committee recommends participation.

Non-Agenda Items Deliberation

- 1) Transportation RFP - The committee briefly discussed the Request for Proposals (RFP) that the District will be releasing for transportation services. A couple revisions were suggested. The RFP will be released in December for possible approval in February or March 2019.
- 2) Eagle Scout Project - Discussion occurred about a request from a student to adorn the Marching Band Trailer with the District logo and other decals as part of his Eagle Scout project. The committee saw no issue with the request and is recommending it for Board approval.
- 3) Radon Testing Grant - Mr. Trout informed the committee that the District has been awarded \$20,000 in grant funding for radon testing in all District buildings.
- 4) Architect Update - Mr. Vuckovich informed the Board that the Facility Study is moving forward as scheduled. The administration is holding a meeting with the architects on November 28th at 1:00 pm. Board members are welcome to attend. The architects will also be requested to attend the next B,G, & T committee meeting on December 17th.
