

**THIS LETTER MUST BE ATTACHED TO THE STUDENT INSURANCE BROCHERE**

**TO: THE PARENTS OF STUDENT ATHLETES**

**Although the school system assumes NO financial responsibility for the cost of any accident occurring to the athlete while participating in a sport or at the school; a special accident insurance policy is available should you wish to purchase it. The Insurance is offered for your convenience and neither the school nor any school official is compensated in any way by the Insurance Company.**

**This accident insurance policy is available at a low premium. It pays up \$25,000 per accident according to the schedule of benefits.**

**Even if you have health insurance which covers accidents, your current plan may not pay for organized sports or could fall short of paying the total bill. This insurance is primary insurance and covers listed benefits with no deductible regardless of other insurance you may have. The attached flier is a summary of the accident plan.**

**You may go online at [www.studentinsurance-kk.com](http://www.studentinsurance-kk.com) for further information or to enroll in this plan.**

**For further information, contact Doyle Greteman, agent, at 405-990-6317.**

**We have adequate insurance and do not wish to participate.**
