Character Day

Students and staff will celebrate Character Day on Wednesday, September 26th. This is a global initiative in its 5th year designed for people to take a day and concentrate what "Character" means. This day kicks off our Character Education program at Arovista. Students will be watching videos and having discussions about the science of character.

October starts our focus on the "Pillars of Character" education program. Our first character trait we will be concentrating on teaching our students is "Caring." We will ask our students to wear red on Mondays as we learn more about how to be caring students. Our Arovista Allstars are people of character!

Back To School Night

We had a great turn out for Back To School Night! I hope you all learned a lot and are excited for this school year. Please contact your teacher or me if you have any questions or would like to meet. Parent conferences are coming up in October, which will give you a chance to speak with your child's teacher one on one.
