

NAME: \_\_\_\_\_  
TRAVEL TO: \_\_\_\_\_ ID# \_\_\_\_\_

**MCALLEN ISD  
CAREER TECHNICAL EDUCATION  
BUS CONTRACT  
2018 -2019**

McAllen ISD is providing bus transportation for all students taking Career and Technical Education (CTE) classes outside of their home campuses. In order to facilitate the process of transporting students to their classes on other campuses, students must adhere to the rules listed below. Please read and initial each statement and sign in the place provided below.

\_\_\_\_\_ I am **NOT** allowed to drive to and from campuses and must travel using the district bus.

\_\_\_\_\_ I must carry my CTE district pass with me at all times.  
(You will be given a pass to present to your teachers, bus driver, or any other district staff member.)

\_\_\_\_\_ If I miss the bus **at my home campus**, I must report immediately to the CTE office in 212B to sign in. I understand I may be sent to OCS for the remainder of the period(s) and failure to report to OCS may result in a referral to the appropriate administrator. I understand that missing the bus may result in an absence from the class each time.

\_\_\_\_\_ If I miss the bus **at the away campus**, I must report to the CTE counselor, CTE counselor's secretary, or the attendance office at that campus. If transportation cannot be provided in a timely manner, only my parent or guardian on record may pick me up from that campus.

\_\_\_\_\_ I understand if I repeatedly miss the bus, I will be reported to the appropriate administrator and I may be removed from the class.

\_\_\_\_\_ I understand appropriate behavior is expected on the bus at all times and any inappropriate behavior may result in a referral to the appropriate administrator or removal from the course.

I have read and understand the rules explained above. I understand failure to adhere to these rules may result in a referral to the appropriate administrator or removal from the course.
