

November

From the Teacher

I want to encourage all of my students with the support of their families to continue to read each day and practice their multiplication facts. I have started to introduce strategies for division, and for those students that struggle with multiplication, they will continue to struggle and become frustrated. Parents please take advantage of the time while in the car by having your child practice a few facts and also quiz your child throughout the day. I want the students to enjoy learning and actively engage with their work. I am extremely thankful to be able to work with all of my students and families.

Mark Your Calendar

11/2: Harvest Festival

11/12: Veteran's Day: No School

11/19 - 11/23: Thanksgiving Break

11/30: Flag Ceremony

12/14 - 1/9: Winter Break

Homework Reminder

*Homework packets go home every Friday and are due the following Friday.

*Keep practicing your multiplication facts.

*Please make sure that your child reads for 20 minutes a night and has his/her reading log signed.
