# Costumes from A Christmas Carol

Ebenezer Scrooge	You can dress as Scrooge the business man by wearing a suit. However, it is more popular to dress as Scrooge does when the ghosts arrive—in a nightgown and slippers.
Tiny Tim	Carry a crutch and wear a battered vest and cap.
Jacob Marley	Wear ghostly face paint and heavy chains.
The Ghost of Christmas Past	For this costume, you want your head to appear as though it's glowing. Wear a cap over a few glow sticks. You can wear a white night gown.
The Ghost of Christmas Present	Wear a green robe. Any Christmassy decorations are a plus.
The Ghost of Christmas Yet to Come	Wear a hooded black robe.
Belle	Wear a beautiful Victorian dress.
Bob Cratchit	Wear shabby clothing and a mild demeanor.
Peter Cratchit	Wear a stiff-collared shirt.
Martha Cratchit	This is a fun one—Martha designs, makes, and sells hats, so that can be a defining element of her costume.
Mrs. Cratchit	Wear worn-looking Victorian clothing.
