

Ecosystem Poster Project

Due: 5/16

Benchmark: Describe how matter and energy are transferred within and among living systems and their physical environment.

Tasks: Students will create an ecosystem poster with the given elements:

1. Name of Ecosystem
2. A food chain with the flow of energy
3. Natural resources found in that ecosystem
4. Names of organisms in the ecosystem
5. Human interference and its effects
6. Ways we can protect and preserve ecosystems

Criteria	ME	MP	DP	WB
Captions	5 or more captions or different elements in poster.	4 captions of different elements in poster.	3 captions of different elements in poster.	2 or less captions of different elements in poster.
Quality	<ul style="list-style-type: none"> • Neat • Colored • Outline • Able to see all elements of poster • Able to tell that a lot of effort was put into work. 	<ul style="list-style-type: none"> • Neat • Colored • Outline • Able to see all elements of poster 	<ul style="list-style-type: none"> • Somewhat neat • Colored or outlined • Able to see most elements of poster 	<ul style="list-style-type: none"> • Messy • Not colored and/or outlined • Unable to see elements of poster
