

Distance Learning FAQs

If I have multiple children can I do 1 pick up?

Yes, you may. All you have to do is inform the team member assisting you that you would like to pick up for multiple children in your household.

Are printed packets going to be available?

Yes, printed packets will be available during office hours.

Are the packets going to be able to print at home?

Yes, printed packets will be available via download and can be printed from home. We will be posting them on our the Navi Distance Learning website.

Can someone else pick up the technology for me?

Yes. However, they will need to bring written and signed permission from you, along with your student's ID number. Sample language is below:

I, (include name) give permission to (give name) to pick up a technology device for my student(s) (Name, grade, and ID number).

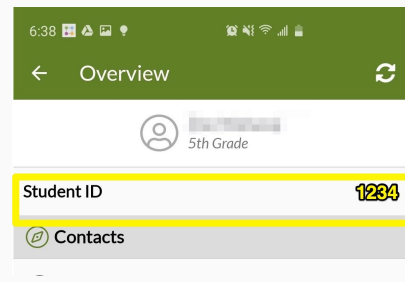

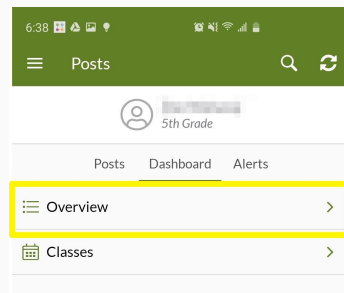

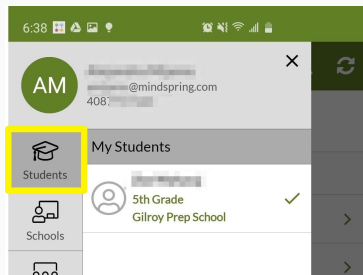

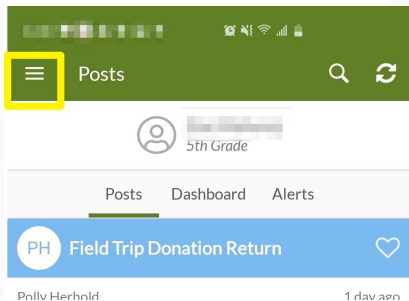

Signature

*an email form is acceptable as long as the person picking up the technology has it available at time of pick up.

How/where do I find my child's ID#?

You can ask your child for their Lexia number (they typically know that number because they use it to log in to their blended apps) or you can go into your Parent Square and hit the 3 lines on the top left hand side then hit student then overview and you will see your students ID there

Will my student be graded on this work?

We will be using this work to monitor your child's academic progress. We are excited for your student to continue their learning during this season.

If we have our own devices can we just use ours? Is there a website my child can log on to?

Yes, you can use your own device. On Monday, March 23rd, we will be sending a message through Parent Square with the link to the Navigator distance learning website. You can also go to our website and visit our distance learning for more information.

With the new stay home order is this still a good idea and essential?

We highly encourage for you to pick up a device for your student, so your student may continue their digital learning they have come to know and appreciate at Navigator Schools.

If I don't have WiFi what do I do?

If you do not have WiFi and would like WiFi at your home please check out these resources below.
