School Description

Helen Keller Elementary is a PK-6 elementary school that is focused on student academic achievement. Providing a caring and nurturing environment where students excel socially, emotionally and academically is our top priority. The staff at Helen Keller collaborates with families and the community to provide challenging and real life opportunities while preparing students for success in a diverse society and ever changing world. Students become confident learners as they become college and career ready.

As principal of Helen Keller Elementary, it is my goal to cultivate a community where children are educated for the 21st Century. We strive to achieve this by teaching students to think critically, internalize the responsibilities necessary to effectively participate in and contribute to society, become independent life-long learners, and appreciate diversity.

At Helen Keller, students must assume responsibility for their own learning. We expect students to come to school prepared to learn and contribute to the learning environment and be active participants in the learning process.

We encourage parents to be active participants in our school, ensuring the success of their children. Parents responsibilities include: supporting the school's policies and procedures, programs goals, and being an active participant in their child's educational experiences and always encouraging their child.

We utilize all of our available resources and seek resources available in our community to improve student learning and achievement. Our goal is to provide our students a safe and nurturing learning environment where students can excel and reach their academic potential.

Our school offers a comprehensive student centered instructional programs. Our parents and staff are provided multiple opportunities to participate at school through social activities and instructional workshops, they include grade level focus walks, grade level chairpersons meetings, leadership team, parent /teacher workshops, technology workshops, School Advisory Councils, SBAC parent meetings, academic assemblies, GATE meetings, Title I meetings, and parent conferences. In 2008-2009, our school reached an 800 API score which qualified us to apply for a CA Distinguished School. We were validated as a CA Distinguished School on March 8, 2010. In 2016, our school was awarded the California Gold Ribbon award along with the Title I Academic Achieving school award by the California Department of Education. Our school shines as a bright beacon for students, putting forth an exemplary effort to ensure that every student is ready for 21st century college and careers. We are very proud of our hard work and effort in gaining these accomplishment. We strive to continue to achieve at a high level of excellence.

Mrs. Yamiler Varela , PRINCIPAL

Major Achievements

Standards, Assessment, and Accountability:

- Data became an important part of staff meetings and discussions. Data Reflection meetings for English language arts common assessments were held every 4-6 weeks for all grade levels.
- English Language Learner data as reflected in CELDT performance was reviewed with parents during English Language Arts Council meetings.

Opportunity Equals Access:

- English Language Learners, Special Education, and under-performing students participated in extended learning time intervention during the school day.
- Additionally, monthly and quarterly assemblies recognized students' personal successes.

Teaching and Learning:

- Teaching and learning materials such as technology equipment, educational games, and leveled readers were purchased to support students' academic needs.

Focus for Improvement

- Monthly grade leveled parent workshops
- Progress reports and parent meetings for students requiring additional support.
- Parent and Student Orientation Program
- Evening follow up meetings for teachers to provide parents with additional support.
- Quarterly meetings for School Site Council leadership, grade level chairs, community liaison, Instructional Lead, and principal to review student academic progress Intervention provided during the school day for students requiring additional support in the areas of English language arts and math.
- Increase communication with parent regarding their child's progress

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

We choose our textbooks from lists that have already been approved by state education officials. For a list of some of the textbooks we use at our school, see the Data Almanac that accompanies this report.

We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This online report shows whether we had a textbook for each student in each core course during the 2013–2014 school year and whether those textbooks covered the California Content Standards.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our school is ten years old. The buildings are in fair condition. Some repairs would benefit the school. We strive to keep the buildings clean and ready for student learning. Restrooms are monitored by custodians and cleaned on a regular basis/or as needed. In addition, our campus monitors are monitoring the restrooms during recess times. A new exit gate was added last school year to create additional exit options for students.

Additional storage space for equipment and supplies would be an asset to the school. Currently, the multipurpose room is used to store equipment and materials.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)		
Year and month in which data were collected:		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Fair	
Interior: Interior Surfaces	Poor	some areas has paint chipping and the grass on the playground area needs repair. Work order placed with the district for repairs.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Fair	The air conditioning systems occasionally does not work and the electricity occasionally breaks down. Work order placed with the district for repairs.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Poor	Student restrooms need mats because of slippery floors.
Safety: Fire Safety, Hazardous Materials	Poor	Emergency equipment is needed. Notice provided to district personnel.
Structural: Structural Damage, Roofs	Poor	Chipping paint, unsafe stairs repaired, playground needs grass, MPR needs old materials removed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	30.0	27.0	33.0	35.0	48.0	50.0
Math	25.0	22.0	22.0	24.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	22.3	16.0	12.8

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parent involvement takes on many roles at Helen Keller. Parents are given the opportunity to learn study skills to assist their children in English language arts and math. They are actively involved in all school advisory councils (e.g. Chair and Co-Chair), school-wide assemblies, parent volunteer program, extracurricular activities (e.g. coach-folkloric dance group, track and field), office and library assistant.

Parents are also provided an opportunity to assist teachers in their child's classrooms. We have a community liaison that assist parents with a variety of needs they may have concerning their child's academic, social, and emotional progress. Parents participate in a parent teacher organization (PTO).

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Student safety when traveling to school or home is of the utmost concern for staff and parents. We ensure safety on campus by locking all exit gates by 8:45 am. All gates are monitored by campus employees. Parents have to enter through the school office where they are asked for picture identification. Emergency equipment is maintained on the campus. Teachers and staff review their specific emergency plan annually by establishing safety protocols that are communicated to staff, parents, and students. Monthly emergency drills are held quarterly at the school. A safety protocol was sent home to all parents to review. The grounds are monitored daily by the principal, the custodians, and the campus monitors throughout the day. Emergency contact cards are updated each school year for every student. Emergency phone numbers and student addresses are updated when needed. Parent Volunteers assist staff at dismissal to support student safety. The school safety plan was updated by a team of staff members and on January 27, 2017 and approved by the School Site Council team members.

Professional Development provided for Teachers

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Teachers receive professional development at the school site and at the district level. Helen Keller is implementing the district's multi-year professional development plan. This plan provides training for all coaches, administrators, and teachers and includes:

- Curriculum Alignment Institutes
- Researched based professional development that supports students' needs and based on student data
- Instructional Coach Training
- Site Administrative Training and Coaching
- Summer Strategies Training and Practicum (with ELD/Academic Language Development for English Learners) outlined throughout the year
- Professional development for teachers & administrators on instruction in Standard English for African American students which includes follow up work with teachers and students

The district has also implemented a monitoring system to ensure the effectiveness of professional development for our staff. The monitoring system includes follow up sessions and site visits from district professional development facilitators.

In addition to the professional development opportunities at the district level, teachers also receive professional development at the school site on Common Core State Standards, Special Education Strategies, English Learner Strategies, etc.

Types of Services Funded

The Lynwood Unified School District is committed to academic excellence by providing the best possible learning opportunities for all students. Our district provides a wide variety of academic programs and socio-emotional services for students to reach their academic goals. Some of the programs and services provided for students in Lynwood Unified School District include:

- Title I
- Migrant Education
- SES Tutoring
- Title III - Interventions
- LCAP
- Language Proficiency Testing (CELDT)
- AVID
- Special Education Services
- Resources for Foster Youth and Homeless Students
- Common Assessment Data Compilation
- Socio-emotional and Mental Health Counseling and Resources
- Resources for Pregnant and Parenting Teens
- Positive Behavior and Support (PBIS)
- Assistance with Health Insurance Enrollment
- Afterschool Programs
- Academic Fieldtrips

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
