***ABC Unified School District Bonds to Go to Bid
Community Invited to Watch the Bid Process on Live Stream***

Cerritos, CA: Last November, voters approved Measure BB, a \$258 million bond to improve and enhance the schools in the ABC Unified School District. On Wednesday, July 10, 2019, at 9:00 a.m., the first round of bonds, in the amount of \$64,500,000, will be submitted for bid. Those interested in watching the bond bid process can attend live streaming of the event at the ABCUSD District Office, in the IT Lab. The District Office is located at 16700 Norwalk Boulevard in Cerritos, California. Tim Carty, Financial Advisor with Piper Jaffray, the District's Bond Consultant, will be with the attendees.

ABCUSD Superintendent Dr. Mary Sieu recently announced at a School Board Meeting that the initial projects funded by the bonds would begin at the District's 19 elementary schools. These projects include the installation of security cameras, playground resurfacing, and the construction of new shade structures.

"This is an exciting time at the ABC Unified School District as needed projects are getting ready to begin, enhancing the safety and quality of life for our students," said Dr. Sieu. "We invite the ABCUSD community to attend the bid event for the funds they voted for through Measure BB."

Visit the Facilities-Measure BB page on the District's website at www.abcusd.us for more information about Measure BB and the Facilities Master Plan. Projects funded by the bonds are subject to Board of Education approval and oversight by the Citizen's Oversight Committee.

About the ABC Unified School District

In 1965 the Artesia, Bloomfield, and Carmenita School Districts unified and became the ABC Unified School District. Today, the District serves over 30,000 Pre-K to 12th Grade and adult education students through its 30 campuses. The District is home to some of the most awarded and recognized schools in California and serves the cities of Artesia, most of Cerritos, Hawaiian Gardens, as well as portions of Lakewood, Long Beach, and Norwalk.
