Our on-line parent surveys for the 21st CCLC program were amazing. We want to say thank you to all our families who took the time to complete the survey. Our goal for this year is to continue to make your child's KC participation a positive experience.

Thank you again for taking the time to complete the survey. 😊

Kids Connection News

We had a wonderful Fall Break with the children. We participated in the Lights for Afterschool parade around City Park School showing support for all afterschool programs. The Fall Harvest Party was a lot of fun with crafts and games for the children to play and do with their parents.

November is National Parent Involvement month. We have a variety of fun activities to do with your child planned for this month. Please come and be apart of afterschool and see what we are all about.

- We are starting our service learning project this month Kids Care Closet. We are collecting personal care products (trial size toothpaste, shampoo, deodorant, body wash, soap and lotion), children's socks and underwear. These items will be used for children in the schools who need these items. There will be a collection box set up at each site.
- Dec. 5th- Dec. 20th 12 Books of Christmas - We will have community partners, teachers, and parents come and read a Christmas books each day with the students. If you are interested in participating please see you site director.
