Attendance

Did you know that missing just 10 percent of the school year can leave students struggling throughout elementary school? School attendance is essential to academic success, but too often students, parents and schools don't realize how quickly absences, excused or unexcused, can add up to academic trouble.

Every school day counts and everyone can make a difference!

Please remember,
* ***Perfect Attendance is defined as zero absences, zero tardies, and zero leave earlyies.***

OUR GOAL:
**96% ATTENDANCE OR HIGHER
(7 ABSENCES OR LESS) FOR ALL
STUDENTS**

**Talk to your child about the
importance of coming to school!**

Councils

Our next SSC and ELAC meeting will be on Monday, October 15, 2018 at 2:40pm in the Parent Center.

Principal's Message

We already had seven very productive weeks of school. Our students and teachers are hard at work covering the curriculum and adding enrichment. We added a daily literacy education program called Computerwise Kids and our students are also working with ST Math and Moby Max - programs that enhance what they are learning. Technology is in use daily at our school.

One of the technology enhancements at our school and throughout the District is the Parent Portal. Although already available last year, it is a useful tool for parents to stay informed about their children's academic progress this year since teachers will be posting the grades.
