

Join the Adopt-A-Classroom Committee!

The Garvy Adopt-A-Classroom Committee (AACC) works to enrich the academic experience by providing support for teachers through **fundraising and soliciting donations specifically for our children's classrooms**, like technology, paper, markers, and classroom equipment.

And We Need YOUR Help!

- Our major activity every fall is the **Walk-a-Thon**. Students collect donations & walk laps around the track or school. The top fundraiser wins a gift card & raising at least \$25 gets you a **special T-shirt that counts as Garvy Garb**.
- Teachers create **Wish Lists** of items they need to enhance teaching in their classrooms. This is a great way for **YOU** to **directly impact your child's classroom experience**.
- **Making a Holiday Donation** to your child's teacher **in lieu of a gift** helps the entire class and is tax deductible! **Classroom Donations** are accepted all year. You can **donate to any teacher in any grade!**
- **Honor your child's birthday** with a donation and their name will be added to the **Birthday/Recognition Board** in the **Garvy main staircase**.
- Purchase **Gift Cards** to your favorite stores, restaurants, and venues and **a percentage of your purchase will go back to Garvy!**
- Shop on Amazon? Link your account to **the AmazonSmile Jw Garvy Adopt-A-Classroom Nfp group!** The AmazonSmile Foundation will **donate 0.5% of the purchase price** of eligible products to Garvy School.

This year, we raised **over \$14,000** to buy Chromebooks and replace Starboards!

Join us! Next Meeting-Wednesday, December 6, at 4 pm, Room 105.

We want YOUR ideas on how to bring more resources to Garvy.

Do you have corporate connections? Many businesses will donate to an employee's charity of choice.

AACC is easy to fit into your workday and does not require a huge time commitment.

Did You Already Join the PTA?

That's great! The PTA is a wonderful way to work on activities that benefit the whole school and student body. Adopt-a-Classroom works on specific classroom needs and adding more technology resources for each student.
