Vision of the San Carlos School District:

The San Carlos School District shall provide an innovative and engaging learning experience that fosters the development of the Whole Child to ensure all students are well prepared for success in the 21st Century, as evidenced by:

1. Reaching their highest academic, social, emotional, intellectual, and physical potential; and
2. Becoming problem solvers, critical thinkers, risk-takers, designers, collaborators, and innovators; and
3. Developing into contributing, empathic citizens and leaders who are responsible stewards of their world and care about equity and justice, both locally and worldwide

School Description and Profile:

Established in 1949, Arundel School is located between Phelps and Arundel Road. The school is both ethnically and socioeconomically diverse. Arundel was recognized for its outstanding programs as a 1998 California Distinguished School. In June 2000, Arundel School became a dependent charter of the San Carlos School District with a focus on educating the "whole child" and recognizing the uniqueness of individuals.

The Arundel school culture is centered on our students. The staff works closely with a supportive volunteer base to meet students' diverse needs. Arundel works collaboratively to create and maintain a positive learning environment. This is done in part with a look towards life skills, such as honesty and friendship. Additionally, the staff of Arundel collaborates to support the academic needs of each student.

Arundel School promotes educational excellence for all students. In partnership with staff, parents and community, we create an environment where students take ownership of their learning in order to function as creative, productive citizens within a community of learners. During the 2017-18 school year, Arundel Elementary School had 473 students enrolled in kindergarten through fourth grade.

Principal's Message

Arundel School is a unique learning environment that embraces community as a cornerstone of each child's educational experience. We work with parents and families as partners in the educational journey of each child. Children are encouraged to take risks, explore and innovate in the classrooms as well as take a leadership role in making a positive impact in the community around them. Project Based Learning is taking hold in all classrooms through grade level projects and collaborations between individual teachers. Reading and writing are taught through a workshop approach in response to new and rigorous common core standards. A new common core aligned math curriculum has just been adopted. We work together to foster each child's independence, their love of learning and their sense of belonging in the community. We have an active and caring parent community as well as the support of a forward-thinking school board, an innovative and creative Strategic Plan and a progressive and supportive district office staff. We have the support of the community through the San Carlos Education Foundation and our local PTA that help to keep essential programs alive such as our music program, literacy, and technology associates, a school counselor, the PE program, field trips, technology and more. Our teachers are highly qualified, caring and dedicated to making sure that each and every child's needs are met. It is my privilege and honor to be part of such an innovative and caring community.

Jennifer Gaboury, Principal

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kindergarten	109
Grade 1	110
Grade 2	94
Grade 3	86
Grade 4	85
Total Enrollment	484

2017-18 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	0.2
American Indian or Alaska Native	0.2
Asian	19.2
Filipino	1.7
Hispanic or Latino	13.0
Native Hawaiian or Pacific Islander	0.4
White	52.3
Socioeconomically Disadvantaged	4.5
English Learners	13.0
Students with Disabilities	5.4
Foster Youth	0.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials			
Arundel Elementary School	16-17	17-18	18-19
With Full Credential	25	24	21
Without Full Credential	1	0	0
Teaching Outside Subject Area of Competence	0	0	0
San Carlos Elementary School District	16-17	17-18	18-19
With Full Credential	♦	♦	139
Without Full Credential	♦	♦	2
Teaching Outside Subject Area of Competence	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at this School			
Arundel Elementary School	16-17	17-18	18-19
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The school district held a public hearing on September 14, 2017, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual instructional materials in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education and in alignment with the development of State Standards and Frameworks, making the textbooks and materials used in the school the most currently available. As part of the adoption process, materials are piloted and selected by a selection committee composed of teachers and administrators. When materials are being recommended for adoption, they are made available for parent examination at the district office prior to adoption and/or parents are invited to provide input via other means. Recommendations from the committee are then brought to the Board for adoption.

Textbooks and Instructional Materials Year and month in which data were collected: September 14, 2017	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Lucy Calkins Writing Units of Study Adopted in 2013 Lucy Calkins Reading Units of Study Adopted 2015 Words Their Way Adopted in 2015 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	Houghton Mifflin Harcourt: Math in Focus Adopted 2016 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Science	Delta Education: FOSS Adopted in 2007 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
History-Social Science	Harcourt Adopted in 2002 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

Arundel Elementary School was originally constructed in 1950 and is comprised of 23 classrooms, a gym, one multipurpose room/cafeteria, a library, one staff lounge, a computer lab, and two large playgrounds. The Arundel office and library/media center were modernized during the 2002-2003 school year. The exterior of Arundel School was painted in the summer of 2003 and the modernization of the multi-use room learning center was completed in the summer of 2004. Classroom modernization was completed during the summer of 2007. In December 2009 the school added a grass field with a surrounding running track on the upper playground.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 1/29/19		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 1/29/19		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	78.0	84.0	77.0	80.0	48.0	50.0
Math	79.0	86.0	72.0	76.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	167	167	100.00	84.43
Male	84	84	100.00	85.71
Female	83	83	100.00	83.13
Black or African American	--	--	--	--
Asian	25	25	100.00	88.00
Hispanic or Latino	25	25	100.00	56.00
Native Hawaiian or Pacific Islander	--	--	--	--
White	89	89	100.00	89.89
Two or More Races	26	26	100.00	92.31
Socioeconomically Disadvantaged	--	--	--	--
English Learners	22	22	100.00	68.18
Students with Disabilities	15	15	100.00	20.00

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2017-18 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	167	167	100	86.23
Male	84	84	100	85.71
Female	83	83	100	86.75
Black or African American	--	--	--	--
Asian	25	25	100	96
Hispanic or Latino	25	25	100	60
Native Hawaiian or Pacific Islander	--	--	--	--
White	89	89	100	89.89
Two or More Races	26	26	100	92.31
Socioeconomically Disadvantaged	--	--	--	--
English Learners	22	22	100	86.36
Students with Disabilities	15	15	100	20

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

At Arundel, we encourage parental involvement in numerous areas and are fortunate that the majority of our parents seek out opportunities to participate. Each fall, we hold a Back-to-School Night to introduce parents to the school year and ask for volunteers.

Parents are present in classrooms and around the campus every day. Our parents volunteer in the classroom to assist in preparation or work with small groups. Parents also serve as chaperones and drivers on field trips, help with yard supervision at recess and lunch time and participate in the Arundel PTA, School Site Council and a variety of committees and work groups.

The PTA holds Community Clean Up Days, an annual Fun Run Event, Staff Luncheons, an annual Heritage Fair, Science Night, Family Movie Nights as well as Book Fairs in the fall and spring. The PTA provides many enrichment opportunities for students and holds evening community-building events throughout the year. Many of our parents also serve as liaisons to the larger San Carlos School District community. We have parent representatives involved in the PTA, Coordinating Council, Healthy Cities Tutoring, Spring Gala Committee and the San Carlos Educational Foundation.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students and staff is a primary concern of Arundel Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually in the fall by the School Safety Committee, Staff and School Site Council. All revisions are communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. The San Mateo County's recommended Big Five Safety Protocols are practiced on a regular basis throughout the school year and lockdown drills are held annually as well. Students are supervised before school, during lunch and after school by staff. The school's student Peacemakers, supervised and led by our full-time school counselor, help fellow classmates solve conflicts during lunch and break periods and parent volunteers help on the yard each day. In addition to parent volunteers, Arundel also has paid yard supervisors at lunch times.

Suspensions and Expulsions			
School	2015-16	2016-17	2017-18
Suspensions Rate	0.0	0.2	0.4
Expulsions Rate	0.0	0.0	0.0
District	2015-16	2016-17	2017-18
Suspensions Rate	0.8	1.6	1.2
Expulsions Rate	0.0	0.0	0.0
State	2015-16	2016-17	2017-18
Suspensions Rate	3.7	3.7	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	0
Counselor (Social/Behavioral or Career Development)	1.0
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	.65
Psychologist	.5
Social Worker	0
Nurse	.375
Speech/Language/Hearing Specialist	.8
Resource Specialist (non-teaching)	1.0
Other	n/a
Average Number of Students per Staff Member	
Academic Counselor	n/a

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Elementary)												
Grade	Average Class Size			Number of Classrooms*								
				1-20			21-32			33+		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
K	24	22	22		1		6	5	5			
1	24	24	22				4	4	5			
2	23	22	24				4	4	4			
3	23	22	20			1	4	4	4			
4	28	24	21			2	4	4	2			

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers two staff development days annually where staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies. Staff members are allowed to select strands of professional development to engage in during the school year offered by the school district as well as individual staff development at the school site. Common Core Standards and Next Generation Science Standards are being integrated into the curriculum. Recent professional development sessions have included support in Reading Workshop, Writing Workshop, and mathematics as part of our program implementation. This year, we added coaching and collaboration sessions for teachers during the school day. In addition to opportunities through the district, site "Flex Funds" as well as other targeted budgets are used to provide professional development to teachers to attend workshops, observe in other classrooms and to collaborate with colleagues. Areas of focus are determined by our Strategic Plan and LCAP, as well as input from staff on annual professional development surveys.

FY 2016-17 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$51,127	\$44,375
Mid-Range Teacher Salary	\$75,564	\$65,926
Highest Teacher Salary	\$97,083	\$82,489
Average Principal Salary (ES)	\$124,559	\$106,997
Average Principal Salary (MS)	\$125,333	\$109,478
Average Principal Salary (HS)	\$0	
Superintendent Salary	\$192,367	\$121,894
Percent of District Budget		
Teacher Salaries	38.0	32.0
Administrative Salaries	7.0	7.0

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

Our school supports the varying educational needs of students through a variety of means. Student needs are identified through teacher referrals, data analysis and as the result of the Student Study Team (SST) process on campus. Based upon identified needs, varying levels of differentiation, accommodations, supports, models and programming are implemented including Response to Instruction and Intervention supports, English Language learners supports and services and tutoring, as well as accommodations and services through Section 504 plans and special education. Services range from collaboration and consultation with specialists, to co-teaching and team-teaching models as well as direct intervention services. Additional services are provided through targeted budgets to work with students in grades TK-4 needing additional support in all academic areas.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

FY 2016-17 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$10,698	\$3,785	\$6,913	\$78,842
District	◆	◆	\$8,281	\$80,884
State	◆	◆	\$7,125	\$63,218
Percent Difference: School Site/District			-18.0	-2.6
Percent Difference: School Site/ State			-3.0	22.0

* Cells with ◆ do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.
