6th Grade Supply/Wish List – Independence

2018-2019 School Year

While not mandatory, these items are highly recommended

The sixth grade team is requesting a \$20 donation per student to purchase supplies. This year sixth grade is striving for simplicity, unity, and organizational skills in the classrooms. Beyond a \$20 donation, if your child would like anything additional, we prefer you wait two weeks to purchase, until your child knows what space he/she has available. There is limited space in lockers and desks and we will have everything essential provided except a backpack.

Skip the hassle
Shopping done by Van Tassell.
\$20 covers the cost
And you will have no time lost.
