Courtesy, respect, honesty, integrity, focus, discipline and leadership; all necessary life skills children need as they grow. This youth class is designed with these life skills and more in mind. We will work on traditional Songahm Taekwondo in a structured, fun, safe environment that is highly motivating. Along with the traditional curriculum, the class also covers child safety, self defense and how to deal with bullies. This class is open to all students.

Students are required to have ATA uniforms and ATA sparring gear. All beginning students are required to have ATA sparring gloves. Once the children reach orange belt they are required to have ATA sparring feet. Camo belt students and higher are required to have all ATA sparring gear which consists of hands, feet, head gear and chest protector. All uniforms and gear can be purchased through Ms. Papa
