

Christmas Around the World

Reminder

Hook students will bring their **completed trifold** **Monday Dec.17th** and **Gilbert Students** , **Tuesday Dec. 18th**. We will set up at **8:00** in the cafeteria. Classes will be invited to come and tour until **10**. If you have any questions please email me. emily.coffee@sவில்le.us

They will need to have their trifold board ready to go. Many students have asked to wear a costume that matches their country or bring a decoration. I told them that they are free to be creative, however they are required to have the trifold. They have had 2 ½ weeks in class to work on their board. Some have done their project at school and some have chosen to do theirs at home. Everyone has done research in class.

The kids have been so excited and have done a great job!

Thank you,
Mrs. Coffee
