Please note the 3-ring binder size. Please do not purchase anything larger, as it will not fit in the desk. The Mead zipper notebooks are too large for the desks. Typically, the larger the notebook the more unnecessary items it will contain. Our goal is to ensure your student is well organized. Appropriately sized notebooks will help students achieve this goal.

Pencils, dry erase pens, and notebook paper will probably need to be replenished throughout the school year. Supplies that are above and beyond the list will be sent home or may be kept in their backpacks.

Please keep personal staplers, hole punches, and toy-type supplies at home for homework.
