“Making Excellence an Everyday Event”

1. Exhibit at all times, both in the classroom and with colleagues, positive attitudes and being a team player.
2. Make all decisions based on what is best for our students.
3. Build positive relationships with students; ensuring relevance and appropriate rigor.
4. Review and execute the District mission and vision statements and ensure that these statements guide every action or decision in the educational process.
5. Commit ourselves to excellence by placing value in being a perpetual learner and not accepting or making excuses.
6. Make learning interesting by engaging students by using multimedia and technology.
7. Insist on making parents our partners in educating their student by promoting parental support through frequent & regular communications.
8. Emphasis on content vocabulary, reading and writing skills across the curriculum and throughout the year.
9. District Curriculum & Instruction: Using the all the components embedded in the TEKS Resource System including but not limited to the YAG, the IFD's and performance indicators with the goal of closing of curriculum gaps, through effective planning and delivery of effective lessons focusing on student academic success.
10. Establish campus-wide guidelines for meaningful and purposeful homework based on best practices and research, with an emphasis on nightly reading.
