## **ASCA Announces Campus Park Elementary as a 2018-2019 RAMP School**

**For immediate release – 4/12/19**

ALEXANDRIA, VA. – The American School Counselor Association (ASCA) is pleased to announce Campus Park Elementary in Livingston, California as a Recognized ASCA Model Program (RAMP).

The RAMP designation recognizes schools that are committed to delivering an exemplary comprehensive school counseling program. Honorees are awarded for aligning their program with the criteria in the ASCA National Model, a framework for a comprehensive, data-driven school counseling. Since the program's inception, more than 820 schools have been designated as RAMP recipients.

"This year's RAMP honorees have shown their commitment to students and the school counseling profession," said Jill Cook, ASCA assistant director. "These schools used data to drive their program development and implementation so all students can achieve success. The RAMP designation distinguishes these schools and encourages school counselors nationwide to strive for excellence."

Campus Park Elementary will be honored at a recognition ceremony at ASCA's annual conference in Boston, Mass. on Monday, July 1, 2019.

RAMP applications are reviewed once a year and assessed in 12 different program areas. The next submission deadline is Oct. 15, 2019. For more information on the program, visit [www.schoolcounselor.org/ramp](http://www.schoolcounselor.org/ramp).
