

Medical Examinations & Immunizations for all St. Theresa Students

1. Students entering preschool, kindergarten, 6th grade, and students new to Illinois schools must have a physical examination. The ***Illinois Certificate of Child Health Examination*** done within the year prior to the school start must include:
 - The health care provider's signature and date of exam.
 - The student's health history (on back side) completed and signed by parent/guardian.
 - Height, weight, BMI, & B/P.
 - Screening for diabetes. Positive results require medical follow-up.
 - Screening for lead exposure only for students under age six. Positive results require additional lead level testing.
2. Students entering kindergarten, second, and sixth grade are required to have a **dentist examination**.
3. Students entering kindergarten and new to Illinois schools are required to have an **eye examination**.
