# 7<sup>th</sup> Grade and New Student Orientation

# Welcome

Thank you for taking the time out of your busy schedule to bring your student to the 7<sup>th</sup> Grade and New Student Orientation. Tonight we will enable your student to feel a bit easier about starting a new year of school at a new building. Our goal this evening is to inform and educate you and your student about our school and our procedures. If at any time, please respectfully ask your questions and we will answer them to the best of our ability.
