Hello Center Line family,

The Governor has required the closure of all schools in Michigan beginning on Monday, March 16.

I know that this is very difficult for our parents who depend on us to provide a safe and rich learning environment for their children during their working hours. I know that families depend on us to provide two nutritional meals every day and most importantly to expose their children to rich opportunities and learning that will allow them to be successful after high school. We all appreciate these opportunities because in Center Line Public Schools, our students’ success is our first priority.

Because our students are our number one priority, administrators, literacy coaches, ELL teachers, and others will meet on Monday to plan the best possible ways to support our kids.

We will be dropping off both breakfast and lunch at our regular bus stops plus some additional stops so all students can eat. Specific information with schedules for food drop off will be sent to our families through our messaging system when it becomes available.

We are looking for the best possible solutions to ensure academic support for our kids. We love our kids and want the very best for them. We love our community and understand the impact of this situation.

Please know that we will do everything possible to provide all that we can. Stay tuned...

Sincerely,

We will provide regular updates and information through social media and our school messenger system and on our website, clps.org.
Shelley Harenski

Shelley Harenski was first appointed in August 2016 and then elected in November 2018; her current term ends December 31, 2024.

Shelley has been a resident of Center Line for over 16 years. She is married to Peter, a Center Line Reserve Officer of over 16 years, and has two daughters who both attend Center Line Public Schools. Shelley is very familiar with Center Line, having attended the former St. Clement Elementary and High School for 6 years. She has her Bachelor of Science degree in Occupational Therapy from Wayne State University and is a current licensed OT in the State of Michigan. She maintains registration with the National Board for Certification in Occupational Therapy.

Shelley has been with her current employer for over 17 years, holding many roles. For 12 years, she was the Operations Director for her office, working with physician specialists, therapists, and having responsibility over expense management, colleague HR decisions, financial statement review, coaching colleagues to demonstrate the best customer service possible, and having to perform service recovery as needed. Shelley is excited to be part of the Center Line Board of Education, seeing how different today is when it comes to raising children.

Your Voice Wanted!

There are only a few days left for you to share your input on the qualities, experiences, and skills needed in the new superintendent through MASB’s online survey! The survey closes Sunday night.

New CLHS Clinic Sponsors

Many thanks to our newest Bronze Sponsors:

- Donna & Michael McVey
- MH Publishing
- Mary & Rob Binge
- Mike & Jan Brady
- In memory of Chuck Hatch by Chuck Salkewicz

Thank you for your commitment to the health and wellbeing of our students! Your donations are greatly appreciated and will be included on a plaque in the new clinic.

GOOD NEWS! We are can now take credit card donations online!
MSBOA Success

Congratulations to the CLHS Concert Band! They earned an overall Division I rating at the MSBOA Band Festival, held last Saturday at Warren Woods Tower. They received all 1’s from each of the judges in performance and sight reading, with many good comments. We are so proud of these fine students!

Student Wins Art Accolades

Amelia Kostrubiec, a very talented student in art, earned second place in 2020 Chinese Zodiac Animal Art Contest held by Wayne State University. 2020 is the year of the rat, and Amelia's painting of rats watching fireworks and having fun fully represents the “spirit of the rat.” Judges were amazed by the layer of colors she used in her work. Amelia took Chinese for two years in a row. She has always been showing a great interest for Chinese culture and language. Last year, the year of the pig, she took third place in this art contest. Congrats!

CLHS Earns Nod for FAFSA Completion

CLHS finished at 62% FAFSA completion by March 1st for the 2019-2020 school year. That puts us in third place for total completion in Macomb County! On a state level, we came in 9th place for schools of our size (100-200 students in the senior class). That’s back-to-back years of finishing in the top three for Macomb County and over 60% FAFSA completion. Well done! Thanks, Mr. Zimmerman, for your hard work with our students!

MAD Club Scholarship

Seniors—don’t forget to apply for the Moms’ & Dads’ Club Continuing Education Scholarship by April 1st! Download an application at http://clhs.clps.org/apps/pages/scholarship

CLPS Ed Foundation Scholarship

Attention, high school seniors! Do you plan to attend a post-secondary program such as college or trade school? If so, this scholarship opportunity is for you! The CLPS Educational Foundation would like to know your personal story: past, present, and future. Up to four seniors will receive a $1,000 award for post-secondary school costs. Complete the application form at http://www.clps.org/apps/pages/CLPSEFScholarships and submit your entry by the deadline: April 14, 2020.
Being visually impaired does not stop this girl! Way to go, Ishqua!

Staff Members of the Month

Have you check out Wolfe’s student announcements on YouTube? Last week’s edition featured our Staff Members of the Month—Mr. Steve Martines, Mr. Joe Martin, and Miss Lisa Campbell. The nomination portion starts 3:18 into the video.

Ashley Fordyce and Mae Daniels, representatives from Extra Credit Union, came to visit our 2nd grade Pandas. Each student received a copy of Curious George Saves His Pennies, and they had discussion about money and saving.

Center Line’s Asst. Superintendents Shannon McBrady and Lisa Oleski also visited and read to our students. #LoveCLPS

Week in Review, page 4
Physics in Action
Kindergartners in Mrs. Snyder’s class discovered The Force this week with many different experiences. They observed gravity by using big and little forces to make tops spin, using their own breath force to move a ball through a maze, using pushes and pulls to create a marble paint picture, and more. The favorite was trying to change the path of an object using gutters and trying to slow down a ball and car with different types of ramps. They are gearing up to use their engineering skills to create a Lego maze and a slide for a toy person.

The Big Map
Crothers’ students had the opportunity to work with a giant map of Michigan. They learned about the key features and locations in Michigan.
Peck Points

“Extra” Special Guest Readers
Special thanks to our friends from Extra Credit Union for visiting our 2nd grades. Each student received their own copy of Curious George Saves His Pennies!

Engineering Fun
Our kindergarten engineers used the engineering design process to build slides. Fun stuff!

Peck Past and Present
Peck 4th grade, in 2020 and 1980. They didn't have SMART boards in 1980, but those big 4th grade smiles haven't changed at all.

“Go stand on the Mackinac Bridge.” Peck students had lots of fun with the giant map of the Great Lake State!
ECC Notes

Outdoor Adventure

The GSRP students and their families enjoyed a fun-filled day last week at the Outdoor Adventure Center in Detroit, exploring all the exciting outdoor activities that our wonderful state of Michigan has to offer. The Outdoor Adventure Center brings the "up north" to the city with hands-on activities, exhibits, and simulators. Students were able to walk behind and touch a waterfall, hit the trail on a mountain bike or snowmobile, touch a snake, play in a treehouse, and more.

Guest Readers

The Early Childhood Center has had some wonderful guest readers this week from our administration and Board of Education, Lisa Oleski and Wendy Watters. Mrs. Watters read to Ms. Johnson's TBPS class and the students truly enjoyed her visit. They are learning about Community Helpers this week, and Mrs. Watters fits that description to a tee. Thank you, Mrs. Watters!

Ms. Clynick and Ms. Afrin's GSRP class enjoyed the guest readers, as well. They even had a parent guest reader surprise them this week. Students love listening to a good book, especially when it is read by a fascinating guest. Thank you, Mrs. Oleski and Mrs. Kruk!
Join us for field trips, free breakfast & lunch, crafts, fun activities and more! Summer Daze is proudly run by Center Line Public Schools and the Center Line Recreation Center.

June 15 - August 14, 2020
at Peck Elementary

*Each child is required to attend at least three days of camp minimum per week. Additional kids are 30% off.

Registration is now open for kids who have completed Kindergarten through 12 years old. Sign up before April 1st for $10 off the registration fee. To sign up or for more information, call the Rec Center at 586-757-1610 or visit centerline.gov/214/Summer-Daze-Camp.

The Week in Review will be back in action once the students are back in the buildings. Watch for updates on our website, www.clps.org. Be safe!

STRONG Schools

STRONG Community

The Week in Review is published every Friday when school is open.

Submissions are welcome and encouraged; email your pictures and news to Sue Pauling at paulings@clps.org by Thursday noon to guarantee inclusion in that week's edition.
