Our Shadow-A-Ram program is a terrific way for 7th & 8th grade students and high school transfer students to get an inside and accurate look at what it is really like to be a Saint Mary’s student. 8th grade and high school transfer students can select from any of the twelve programs, and 7th grade students are eligible to shadow in the March and April programs. Shadowing is not a mandatory part of the application process, but it is a great opportunity to spend time on our campus in the company of a Saint Mary’s student.

Admissions representatives begin the day with a campus tour and are available to answer questions. Student ambassadors will guide their shadows through the morning and the program concludes after lunch (provided by us). Students tell us year after year that this was the best way for them to get to know Saint Mary’s High School.

Saint Mary’s has a dress code for its students, and the same applies to those visiting the school. Shadow students should follow a modified version of our dress code: collared shirt, pants or shorts. No jeans or hats.

Students must pre-register for the shadow program at least five days before the intended visit. Space is limited. To register for the shadow program, please complete this form and return by email, fax, mail or in person to reserve a space. We will confirm your reservation by email. Questions? Contact Margaret Stephens (209) 957-3340, Ext. 187 or email shadowaram@saintmaryshighschool.org.
