

Dear Parents,

With a few weeks of summer left to enjoy, we look ahead with excitement to the 2019-2020 school year.

The SJHA Family Association is a volunteer organization that has been an integral part of St. Joseph Hill Academy Elementary school for many years. We organize activities and events throughout the school year that promote camaraderie and school spirit for our children and their parents.

We have attached the SJHA Family Association Calendar of Events, please review and save the dates. Some of these events are sponsored by our principal Mr. Hansen and some will have a fundraising component that help us accomplish capital improvements in our school that help to keep tuition increases to a minimum.

Also attached is the 2019-2020 Class Representative list for each grade, once the school year begins your class representative will communicate important school information and volunteer opportunities on behalf of the event chair to you throughout the year, we hope you will join in the planning fun. With your participation and support our efforts have beautiful results. We highlight just a few of the recent capital improvements resulting from last year's events that will surely benefit every student:

- Instillation of *infocus boards* in all classrooms
- Classroom technology including new *Chromebooks* and charging carts
- Classroom tech support to expand blended learning initiatives
- Continued upgrades to the technology lab including new desktop monitors
- New laptops and desks for teachers
- Flexible seating options in a number of lower grade classrooms
- New stools for the science lab and lab equipment
- Pre-K play yard equipment
- Upgrades to expand the size of our play yard
- Play yard sports equipment and games for grades K to 8

Along with our principal, Mr. Hansen, we anticipate you will enjoy the many event offerings this year and we look forward to saying hello to returning families and welcoming new at the annual Meet the Teacher Night and General Meeting on September 5th. The Executive Council members are always available for you, so please do not hesitate to contact us with any questions.

Wishing you all a successful new school year!

With much appreciation,  
The SJHA Executive Council  
Jennifer, Rose, Silvana and Nicole
