The Franklin Lakes Board of Education is pleased to announce the appointment of Mr. Taso Katopodis to fill the Board vacancy. Mr. Katopodis will be sworn in at the Board's next public meeting and will serve through the Board's reorganization in early January 2020.

Mr. Katopodis has been a respected member of the Franklin Lakes community for 15 years, and has three children: two are high school students who attended High Mountain Road School and Franklin Avenue Middle School ("FAMS"); the third is currently a student at FAMS. Mr. Katopodis is a retired financial services professional and an active community volunteer. As a former 2-year president of the PTA at High Mountain Road School, he has worked closely with parents, teachers and administrators on a range of school-related projects. With the combination of his business background, his PTA experience and his desire to contribute to the continuing excellence of our schools, Mr. Katopodis is well-prepared to become an effective school board member.

Please join the Board in welcoming Mr. Katopodis and in thanking him for volunteering to serve our students and community in this role. Welcome Taso!
