

Late Start Wednesday Workshops

Presented By: The Hart High School Guidance Department

Surviving High School

Hosted by: Dr. Arriarán

August 22, 2018 8:00-8:45am Computer Lab (F-44) *Suggested audience: 9th graders and new students*

Learn strategies that will help you survive the next four years. Study skills, test-taking strategies, understanding graduation requirements and how to handle peer conflicts are just a few topics covered in this workshop geared towards 9th graders and new students at Hart High School.

CSU Mentor Application

Hosted by: Ms. Noriega

October 17, 2018 8:00-8:45am Room F-46 *Suggested audience: 12th graders*

Need assistance filling out your California State University application? Want to make sure you are filling it out correctly? This workshop will help ensure that your application is done correctly and on time. This workshop is for 12th graders who are planning on applying to the CSU System.

UC Pathways Application

Hosted by: Mrs. Hertenstein

October 17, 2018 8:00-8:45am computer lab (F-44) *Suggested audience: 12th graders*

You have written your personal statements and are now ready to fill out your application to the UC System. This workshop will assist you when completing the UC Pathways Application. Available to 12th graders who are planning on applying to the UC System.

The College-Bound Athlete (NCAA)

Hosted by: Ms. Sarian

November 7, 2018 8:00-8:45am Computer Lab (F-44) *Suggested audience: 10th and 11th graders*

Did you know that a student athlete planning on playing sports in college has more requirements than the average college applicant? The National Collegiate Athletic Association has very strict guidelines for their players. Become familiar with what you will be required to complete as you begin your NCAA Eligibility process.

Resume Writing And Interviewing Skills

Hosted by: Hart High School Career Coach, Jordan Bokamp

December 5, 2018 8:00-8:45am Computer Lab (F-44) *Suggested Audience: 10th, 11th, and 12th graders*

This workshop, geared towards 10th and 11th graders, introduces students to the wealth of resources that is provided by our very own Career Coach. In this particular workshop, our Career Coach will guide you through the resume writing process. You will learn how to use the resume builder on Naviance to create and store your very own resume. As we get closer to the end of the school year many students begin looking for part time jobs. This workshop will prepare you to successfully handle an interview, whether it is for a job, volunteer opportunity, or the college of your choice. It is highly recommended that students attend this workshop "dressed for success."

Parents/Guardians of Hart High School students are welcome to attend any of the Wednesday Workshops. Be sure to sign in as a visitor with our receptionist when you arrive on campus.
