Closed for Construction on May 26, 2020

Due to the generous support of Manhattan Beach residents in passing Measure C, Grand View Elementary will be getting much needed improvements. MBUSD’s construction firm, Balfour Beatty, will be modernizing the existing campus, constructing a 2-story classroom and a 3-story multi-purpose/administration building. Major improvements will also be made to the playfields and facilities. If you have questions or concerns at any time during the process, please contact the District’s construction management team at the numbers provided.

Thank you!!
