

SUMMIT ACADEMY

Last Revision: July 2010

SUBJECT: Educator's Certificates/Qualifications

I. Board Policy

Utah State law requires public schools to hire certified licensed educator's. Each Educator's credentials should be on file with the Utah State Office of Education (USOE). Written endorsement or acceptance in the Alternate Route to Licensure (ARL) program must be provided to Summit Academy High School Administration before employee is eligible to receive compensation and benefits. If, at any time during the school years, and Educator's certification/license is revoked or found to be invalid, Summit Academy High School has the right to terminate the employee immediately.
