

PREGNANT STUDENTS

JIE

Philosophy

The Seaford School District will encourage pregnant students to continue their education. Further, such students will be encouraged to participate in all activities associated with or under the sponsorship of the schools.

Standards

1. Pregnancy, termination of pregnancy, or the recovery therefrom shall be treated in the same manner as other physical or emotional conditions requiring the attention of a doctor.
2. Pregnant students may continue to attend school as long as they are physically and emotionally able.
3. Pregnant students shall be informed of the availability of alternative educational programs in which they may voluntarily participate.
4. Pregnant students are to provide a statement from a licensed physician attesting to the suitability of their returning to school following the birth of a child.
5. Pregnant students will be given appropriate counseling priority.
