

Green River High School

A note from the Principal:

Dear Parents,

Happy Holidays from the staff of Green River High School. It's hard to believe that in three short weeks we will end the 1st semester and that half of the school year will be completed. Please remember that grades earned in the semester are applied towards credits and calculated into the student's GPA. Please encourage your student to finish the next three weeks with a strong effort and to seek additional help if they are struggling. If you are not familiar with our Infinite Campus grade book program, I encourage you to contact us so we can set you up a login and password. This program will allow you to monitor your student's grades, attendance, and discipline records from home.

I would like to take a moment to place an emphasis on safety in the parking lot. Many of our students are coming to school early and leaving late because of the various activities. Often it is dark when they arrive and dark when they leave. December is a busy month for our building, and the parking lot is full of activity. We will be hosting elementary holiday concerts, wrestling duals, basketball tournaments, speech and debate tournaments, and a variety of community events. Please encourage your student to be safe and remind him or her to slow down in the parking lot. We are dealing with young, inexperienced drivers, and it takes a team effort to prevent accidents.

This is just a reminder that we can't help your student if we do not know if he or she is having an issue. I want to encourage and remind students that if they are dealing with a situation that makes them feel uncomfortable or they feel as if they are being bullied to please report it to an adult. Students have a right to feel safe and supported at school. If someone is interfering with this right, we need to know so we can help.

Finally, I want to take this time to say thank you to the parents and staff of GRHS. We are fortunate to have such a dedicated group of people who are committed to the success of students. There are many wonderful things happening in our school which would not be possible without your continued support.

Happy Holidays,

Mr. Howard

Cream Cheese Penguins

Ingredients

- 18 jumbo black olives, pitted
- 1 (8 ounce) package cream cheese, softened

- 18 small black olives
- 1 carrot

Directions

1. Cut a slit from top to bottom, lengthwise, into the side of each jumbo olive. Carefully insert about 1 teaspoon of cream cheese into each olive. Slice the carrot into eighteen 1/4 inch thick rounds; cut a small notch out of each carrot slice to form feet. Save the cut out piece and press into center of small olive to form the beak. If necessary cut a small slit into each olive before inserting the beak.
2. Set a big olive, large hole side down, onto a carrot slice. Then, set a small olive onto the large olive, adjusting so that the beak, cream cheese chest and notch in the carrot slice line up. Secure with a toothpick.
