**11/7-11/9:** Parent/Teacher Conferences (see below for more information)

---

### School News

Dear Families,

In an effort to better serve our school community, our school's Hot Lunch vendor will offer three single order options in November. We'll get those days for you next week. This means parents can choose to order for the full month or, if they wish, just those three days. We will pilot this and see if it works well and then decide what will be the next best move. We don't have the menu yet; as soon as we receive

it we will put it on the hot lunch section of our website and will also link it in the newsletter.

By the way, the School Commission is still planning to send out a survey in the next couple of weeks to give each family a chance to express their opinions.

Sincerely,

Michael Cantu  
Principal

### **School Conferences - Forms are Due Today, But...**

If you haven't yet, please return your conference form to the School Office by tomorrow morning. If you don't turn one in, you'll be assigned a random time for your conference.

[School Conference Sign Up Form](#)

### **Band Instruments Should Be Going Home Each Night**

Please let your students know that they should be bringing their band instruments home each day and not leaving them at school. Unfortunately we don't have the room to store them.

Thanks.

### **Grandparents Tea Volunteering Opportunities**

The Grandparents Tea is coming up on Friday, November 16th. We have many volunteer opportunities the day of and the day before the event. Volunteering at this event counts toward your Development Event Volunteer Requirement. Sign up today and help us make this event special for both students and their grandparents!

## There are still a few spots open in Math Club! Sign up today!

Students in grades 6th-8th are invited to join the Math Club! The Math Club will develop students' creativity and intuitive thinking skills as they work individually and in teams to solve interesting and challenging problems. Students will learn new concepts and apply existing knowledge in a fun environment. See the flyer linked below for details and sign up using the online form.
