Designing our Future!

- Link findings website to VISD website and release publicly
- We are planning our future – **Together**. We will be deliberately developmental in building an ownership culture with our community.
- Two focus areas and three task forces:
 - Innovation & Student Learning Pathways
 - Elementary task force
 - Secondary task force
 - Efficiency & Resource Management task force

Designing our Future – Task Force Details

Efficiency & Resource Management:

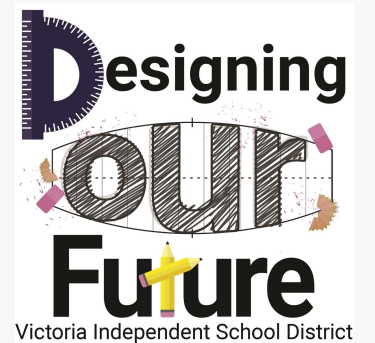

This task force will audit and review current efficiency and resource processes to identify opportunities for streamlining and enhancing in an effort to maximize effectiveness. Recommendations will be prioritized.

Designing our Future – Task Force Details

Innovation & Student Learning Pathways:

This focus group will consider student learning pathways, instructional technology initiatives, technology needs, curricular considerations and areas of innovation within the instructional program from the PreK – 14 student learning continuum. Recommendations will be prioritized.

Designing our Future – Task Force Details

Innovation & Student Learning Pathways:

Elementary and Secondary task force(s): To review, discuss and submit a recommendation to the superintendent and board regarding establishing dynamic learning pathways for elementary and secondary age students.

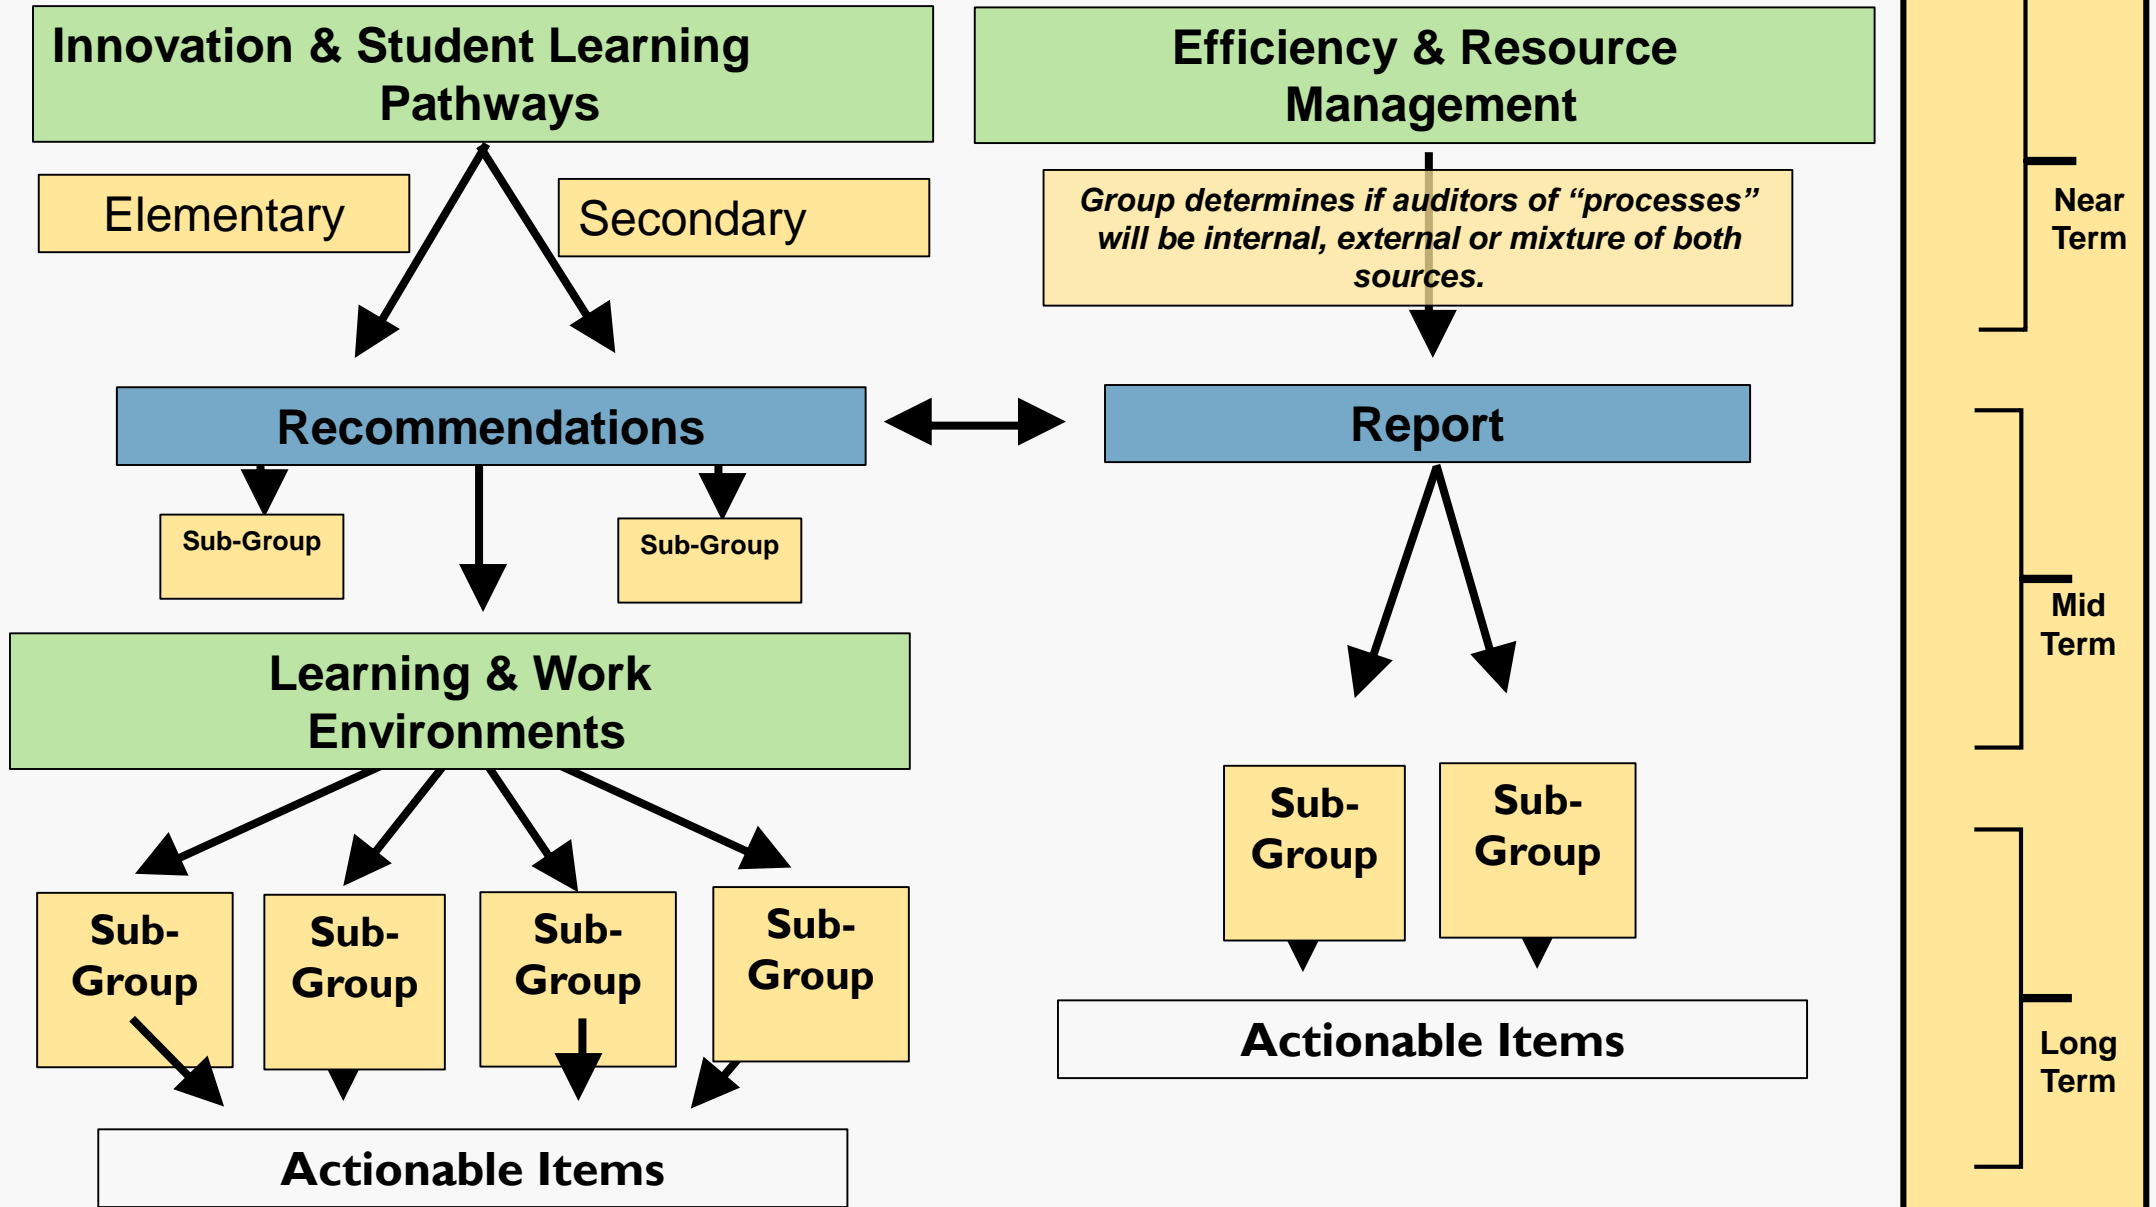

Designing our Future – Task Force Details

(Anticipated) - Learning and Work Environments:

To review, discuss and submit a recommendation to the superintendent and board of trustees regarding facility, rezoning and boundary issues associated with the recommendations presented from the elementary and secondary Innovation & Student Learning Pathways Task Forces.

Flowchart of Task Force Work

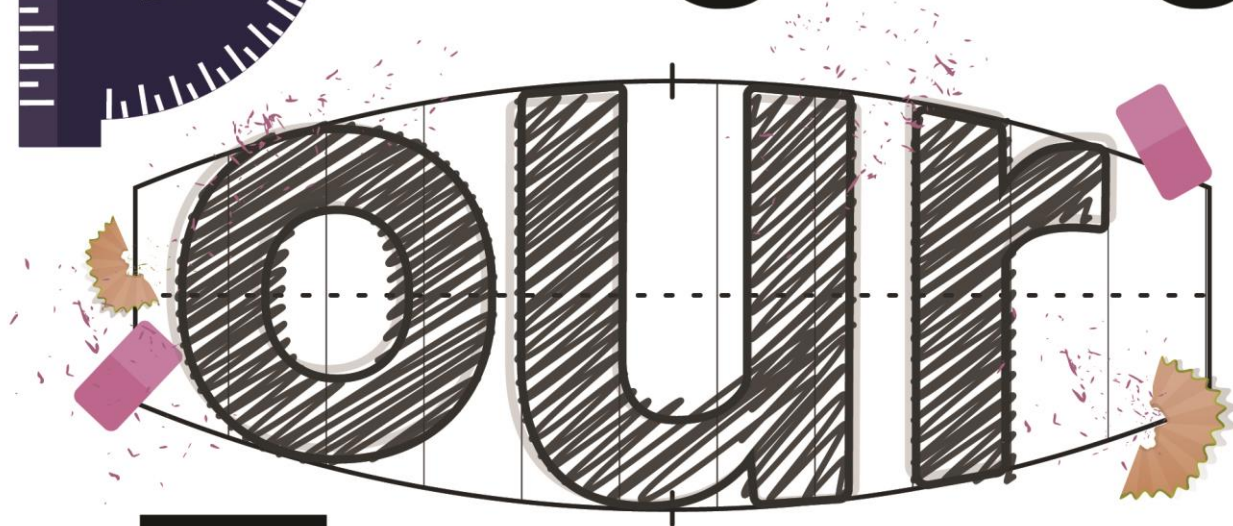

Do you want to be involved?

- We want your genius! Everyone has an area where they are most comfortable. If you have a genius in any of these areas, we need you to serve.
- You are a key communicator. We are committed to **Radical Transparency**. The only way these task forces “fail” is if we don’t communicate.
- To serve: Fill out an application (available now through December 31). The task force should anticipate a 4-6 month commitment.
