5:204 Partial Tuition Reimbursement

The Board of Education encourages teachers to take college or university courses designed to enhance the value of their services to the District.

The Board, therefore, shall reimburse faculty members for all courses approved by administration prior to registration at a rate of \$70.00 per semester hour, or cost of tuition — whichever is less.

The teacher must have earned a grade of "B" or better in any course (graduate or undergraduate) that is to be reimbursable. In the event that the course is offered on a "pass-fail" basis, a passing grade is required.

The \$70.00 per semester hour is effective for courses completed after September 1, 1991. All courses must be submitted for reimbursement within three months of completion.
