

Cupcake Raffle Basket

# Raffle Baskets

Minecraft Basket

The Morse PTO sponsors a Family Fun Fair in the spring for our school. This year the Family Fun Fair is on Friday, June 7th. One of the events at the Fun Fair is a classroom basket raffle. Each classroom is asked to put together a classroom basket that will be raffled off at the fun fair.

To make the classroom baskets, we need parents from each classroom to donate items that match the classroom theme (on the back). This can include books, toys, games, stickers, food items in original packaging or any other items that match the theme. If you would like to contribute cash, a check (made out to the Morse PTO) or gift cards, please send them in an envelope addressed to the PTO, make sure to include the classroom teacher's name. As always, no child will be singled out because of an inability to give. This is a general classroom basket. Donations must be turned in to your classroom teacher by Wednesday, May 15<sup>th</sup>.

# Raffle Baskets
