Creek Promise

Our highly knowledgeable team helps you bridge education and life. We offer support as you earn your diploma and guide you as you enter the workforce or continue your education.

FREEDOM LEARNING PROGRAM

- Learn at your own pace
- Learn anywhere, anytime
- Life coach
- Viable and easily accessible curriculum

EXPLORER PROGRAM

- Online learning with face-to-face support
- Peer-to-peer Tutoring
- Life coach
- Clubs and activities

With these two programs, students can choose to learn at the location of their choice while also being able to come to our school and receive support from adults and peers. **Our life coaches are more than just mentors because they do more than check in about academics. Our life coaches help you define yourself and create the life you envision. Life coaches help you focus, provide direction, challenge you, support you, motivate you and celebrate with you. Life coaches help you create a plan, detail action steps and hold you accountable for following through.**

HOMESCHOOL CONNECTIONS

- College classes
- Expanding elective choices
- Support that's right for you

ADULT VOYAGER PROGRAM

- High School completion
- GED opportunity
- Face-to-face evening classes
- Ages 18 and up

- Homeschool Connections is designed to support you in your choice of courses. Whether it's an elective online course or a class in our community, we provide the structure and support for your student to be successful.
- Adult Voyager Program is geared toward all adults no matter where you are in life. Classes are once a week in the evening and we support you in high school completion or GED.
