

# Room Parent Volunteers

#4

Being a **Room Parent** is a great way to get involved with your child's classroom. Room parents for Kindergarten through 4<sup>th</sup> grade work with their classroom teachers in planning celebrations and/or helping with special projects. Room parents for 5<sup>th</sup>-8<sup>th</sup> grades help with communications and special events. In addition, the room parent will be responsible for managing the annual UPP classroom project. We have many creative parents who are willing to help you with these amazing projects every year.

This year, we are asking that one room parent in each grade volunteer to serve as the **Lead Room Parent** for that grade. Our initial thought is that this will help streamline communication from the UPP/Field of Dreams committees; however, it may be used for other school communication as well. Here are a few examples of emails that you might be asked to send to your grade:

- items that might be of special interest to your grade, such as the Lincolnwood Pool Raffle, gala signup parties and auction items that appeal to your age group.
- information about classroom parties and projects
- information about the Field of Dreams gala Program Book ads

To facilitate communications, we are working with the school to see if we will be able to provide grade level email lists to room parents.

If you are interested, please complete the bottom portion of this form. If you have more than one child, please indicate for which child's classroom/grade you would like to volunteer.\*\* Please contact Jennifer Myers ([jenlindermuth@yahoo.com](mailto:jenlindermuth@yahoo.com)) or Kim Meske ([kimmismc97@sbcglobal.net](mailto:kimmismc97@sbcglobal.net)) for more information regarding the responsibilities of the room parent and/or lead room parent.

\*\*When the number of parents exceeds the number of spaces, Mrs. Moore will make the final selection. Selected parents will be notified in September.

---

*Please return on Organization Day, August 15, 2019, if interested in volunteering as a Room Parent.*
