Please help make your student’s transition easier by purchasing a dial lock at the beginning of summer. Your student will need a lock for gym class. It is beneficial to your child if you purchase this lock early to practice a locker combination.

If possible, used tennis balls can be donated to the science teachers. They are used on the bottoms of the chairs; therefore, new tennis balls are not necessary.

Thank you.  
Sincerely,  
6<sup>th</sup> grade Teachers
