New Agenda Items

- 2.1 – Mrs. Snipes reviewed our current enrollment. Are low numbers are contributed to families no longer being grandfathered in for transportation and the transportation zone becoming smaller. Also, competing magnet schools. She explained that additional lotteries were ran through the magnet office. We gained additional families, however our list is now depleted. We got approval from the magnet office to allow us to extend our search from families that are on the alternative pool waiting list. It was granted and Kathy sent out over 200 email invites for enrollment.
- 2.2 – Mrs. Snipes gave an update on the staffing. Currently we have two long term subs in 1st grade (they are both wonderful) and our 4th grade 178 position has not been filled. For support staff we have 1 instructional assistant position that has not been filled.
- 2.3 – Mrs. Snipes shared that we did have decreases in ELA and Math. We increased proficient in Science by almost 2% and our increase was higher than the districts' Science increase.
- 2.4 – Mrs. Snipes informed the team that elections for the 19-20 school will take place in October and parents and staff will be notified in September.
