We have blasted off the 2019-20 school year and we are on a tremendous trajectory. At our Back to School BBQ, it was a joy to see the kids playing with each other and it was great to have time to make connections with all of the families. A special thanks goes out to our EES PTO for organizing a school clean up event that spruced up our school grounds prior to the Back to School BBQ. Over the summer, many of our staff members did amazing work aligning our learning standards to project-based learning projects and themes. I cannot wait to see their work come to fruition and the learning that will take place. We have two new certified staff members joining us at EES. Leslie Hecker will be a 3rd-grade teacher and Chase Stalnaker is our new PE teacher. Please welcome them to our EES family!

Thank you for your continued support as we work to make Eisenhower an amazing institute of learning and discovery!

## Checking In and Out at the Office.

All visitors must report to the school office before visiting a classroom or picking up a student from school. Parents needing to take a child out of school during regular school hours must check the child out at the office. Teachers are not to dismiss any child from school before dismissal without communication from the office. No student will be released from school, except to a parent, guardian, or designee. Students will not be released to a designee without prior notification from parents. This procedure helps to ensure that students are accounted for at all times. Please provide court-ordered custodial documents as applicable for individual students.
