

Kaimuki Middle School Community Council (KMSSCC)

Minutes of Meeting Held on April 19, 2018
in the Kaimuki Middle School Library

Present: Jo-Greta Ramos, Corey Ajimine, Frank Fernandes, Stella Lee, Nathan Yoshida, Keoni Dunn, Sandi Yamagata

Absent: none

The meeting was called to order at 3:10 PM when quorum was met. Minutes from the February 15, 2018 meeting were approved (motion by Mr. Dunn, second by Mrs. Ajimine). Mr. Fernandes gave an update that the Geographic Exception Waiver was approved effective next school year. The waiver for additional professional development time for teachers is still in effect. Vice Principal Nishi followed up on the gutter issue with the state facilities office and some may need replacing.

After a review of the changes in the Academic and Financial Plan, including a greater focus on multi-tiered student support in parts of the plan where it wasn't noted, the plan was unanimously approved (motion by Mr. Dunn, second by Mrs. Ajimine). Next month will be the last meeting for the year, at which the principal survey and SCC evaluation must be completed.

General discussion followed covering the accreditation process, changes to the uniform for next year, the recent talent show, a new mural that students will paint, the successful 6th grade showing at the track meet at Roosevelt, music performances at the Parades of Orchestras and Bands, KMS results from the State Science Fair, and the positive comments from substitute teachers that security is very good at the school.

The final meeting was set for May 17, 2018 at 3:00 PM. Chairperson Ramos adjourned the meeting at 3:50 PM.

Respectfully submitted by Sandi Yamagata, Secretary.
