Appropriate Pool Attire Required

Dear Parent, Student, and Guest:

CCHS strives to provide a positive social atmosphere at dances and other events throughout the school year. To promote an appropriate environment for students, the school has developed event behavior expectations, dress standards, and conduct guidelines. When purchasing event tickets, students are agreeing to abide by the behavior expectations, dress standards, and event conduct guidelines listed below. Please read before purchasing tickets or completing the Event Agreement.

Event Behavior Expectations

- No student will be admitted more than 60 minutes after the start of the event unless prior arrangements have been made with the ASB Director or CCHS Administration. Students may not leave the event at any time without prior consent arranged by the ASB Director or CCHS Administration.
- All attendees must present their student identification upon entrance to the event.
- All students will be observed for use of illegal or controlled substances prior to the entry to the event. Security may conduct pat downs and purse searches. Any student who refuses to comply will be denied entry and parents will be contacted.
- Any vehicle, including limousines, can be searched at any time. Student drivers and passengers will be held responsible and will be given consequences for any illegal substance in the vehicle.
- Any student exhibiting disruptive behavior, suspected influence of illegal or controlled substances, positive breathalyzer test or failure to adhere to dance guidelines will be removed from the event and parents will be called to retrieve him/her. No refunds will be given and disciplinary action will be taken.

Dress Standards

While school dress standards apply to all school events, the following guidelines address expectations specific to the luau. If the student is in violation of dress standards at any time, the student will be immediately required to make necessary adjustments to their attire or may be asked to be picked up. Repeated violations may result in the loss of privilege to attend future events.

- For girls:
 - One piece bathing suits
 - Two piece bathing suits may be worn with a shirt or cover up; no torso exposed
 - No excessive cleavage or butt cheek exposed
- For boys:
 - Tshirts must be worn in transit to and from school
 - Boardshorts

NOTE: Students wishing to attend the event wearing attire that may be considered to fall outside these guidelines should seek prior approval from the ASB Director, Brittany Marano.

Conduct Guidelines:

Aggressive behaviour will result in consequences and violators may be removed from the event and parents/guardians will be contacted. School administration reserves the right to make decisions on suitable behavior, including dance movements, and on student dress based on appropriateness.

Consequences:

If at any time a student or their guest violates the Event Behavior Expectations, Dress Standards, or Conduct Guidelines, they may be removed from the venue and the behavior will be documented for further discipline. If such actions are carried out, parents/guardians will be notified and the student will be subject to further consequences. Repeated violations may result in loss of privilege to attend events in the future.

Please note that administration reserves the right to remove a student from the event without a warning if the violation warrants. **NO REFUNDS WILL BE PROVIDED FOR REMOVAL.**
